

India Fest 2017

September 12th, 2017

Dear Friend of IAST,

For the past 25 years, Indian American Community of Southeast Texas has organized "India Fest" as an attempt to provide a flavor of the diversity of India for the residents of Southeast Texas. For this year, we are organizing **India Fest 2017 on November 18th at the Beaumont Civic Center at 5:30pm.**

While "India Fest" showcases the culture and its' food, its' main purpose is to serve as a fundraiser for our active participation in various charitable organizations. such as March of Dimes, Boys Haven, Beaumont Police and Fire Departments, American Cancer Society and the American Red Cross in response to any disasters worldwide. **This year, we celebrate India Fest with an underlying commitment to donate all the net proceeds to help our fellow Southeast Texans recover from the havoc caused by Hurricane Harvey, a once in 1000 year event, through either the American Red Cross or other local organizations such as United Way that will have an immediate impact in our communities.**

Therefore, on behalf of the India Association of Southeast Texas (IAST), I would like to invite you to this gala FUND RAISING event, and request you to be a proud partner by helping us underwrite this event; but more importantly participate in helping our neighbors rebound from Harvey related damages. The sponsorship levels and details are listed in the attachment. Please note that IAST is a charitable 401(c)3 organization, and as such your sponsorship/donation is tax-exempt.

Thank you in advance

Sincerely,

Nikul Patel
